## About WJTA Conference & Expo

The WJTA Conference & Expo is the annual tradeshow and biennial technical conference of the WaterJet Technology Association (WJTA), a globally recognized not-for-profit trade.

WJTA Conference & Expo provides a means for contractors, users, asset owners, suppliers, researchers, and other stakeholders to meet, share, and explore industry trends such as hands-free technology, safety best practices, fluid-jet applications, regulations and standards, and more.

The preliminary 2021 program includes educational sessions, onsite training, outdoor live equipment demonstrations, industry appreciation networking reception, conference white papers, and extensive exhibit hall with large equipment and hands-on displays.

First held as a standalone tradeshow in 2010, the 2021 Conference & Expo will mark WJTA's seventh show in New Orleans with enthusiasm from vendors and attendees.
