Expo At-a-Glance

About WJTA Expo

The WJTA Expo is the annual tradeshow and educational event of the WaterJet Technology Association (WJTA), a globally recognized not-for-profit trade association with a 35-year history of service to the industry.

WJTA Expo provides a means for contractors, users, asset owners, suppliers, researchers, and other stakeholders to meet, share, and explore industry trends such as hands-free technology, safety best practices, fluid-jet applications, regulations and standards, and more.

The preliminary 2020 program includes educational sessions, onsite training, outdoor live equipment demonstrations, industry appreciation networking reception, and extensive exhibit hall with large equipment and hands-on displays.

First held as a standalone tradeshow in 2010, the 2020 Expo will mark WJTA's seventh show in New Orleans with enthusiasm from vendors and attendees.

Show Rules

Space Assignment

Space assignment will be based on the order in which your application and deposit is received.

Provisions

The booth/exhibit space rental includes an 8' high draped backwall, 3' high draped sidewalls, a 7"x44" identification sign showing company name and booth number, and one (1) standard 500 watt electrical outlet. Additional electrical outlets and utilities will be available through the convention center, and additional furnishings will be available from Freeman, the official Expo services contractor.

Exhibitor Registration and Badges

Exhibitors must have an official WJTA badge to enter the exhibit area during regular exhibit hours. This badge will be available at registration. The registration area will be open during installation of exhibits starting at 7 a.m. Sunday, November 8 through closing on Wednesday, November 11.

Exhibit Design

No exhibit will be permitted to interfere with a neighboring exhibit. This includes display material, loud noises, boisterous behavior or taped messages being played too loudly. Display fixtures, including equipment, should not block the sightline from the aisle to the adjoining booth.

Losses

Security is provided. However, WJTA is not responsible for loss or damage to exhibitor's property or lost shipments, either coming in, during or going out of the Expo hall.

Space Cancellation

Any company canceling after August 1, 2020, will forfeit the deposit on their exhibit space.

Promotional Events

Companies are encouraged to hold promotional events in conjunction with the WJTA Expo outside of show hours. No promotional events may be scheduled during show hours that could be in competition with official Expo activities without the prior approval of the WJTA Board of Directors. Types of promotional events may include, but are not limited to, receptions, sponsored networking activities, or product launches held away from the Expo facilities. Companies planning to hold events in conjunction with the Expo should contact the WJTA office to ensure they are not in conflict.

Shipping

Final shipping instructions and a schedule of charges will be available through Freeman's online. A link will be emailed to you when it is available and will be available through the WJTA Expo website. Exhibit materials may be shipped to arrive at Freeman's warehouse for storage prior to the show and delivery to the exhibit floor on the first day of show setup.

Installation of Exhibits

Companies may begin installing booths on Sunday, November 8, from 12:00 p.m.–5:00 p.m. and on Monday, November 9, from 8:00 a.m.–5:00 p.m. All booths must be completely installed no later than 5:00 p.m. on Monday, November 9. Exhibits must be staffed at all times during exhibit hours. Opening and closing hours will be strictly adhered to.
